## OVERVIEW OF HEARING PROCEDURES

The hearing officer, having been appointed by the Board of County Commissioners as an independent referee, will conduct the hearing. No discussion of taxes will be allowed, as the subject matter of the hearings are in relation to property valuation and/or classification. The procedure for each hearing is as follows; the Assessor's Office will present their evidence and the Petitioner will have the opportunity to ask questions, the Petitioner will present their evidence and the Assessor's Office will have the opportunity to ask questions, and the hearing office will have a chance to ask **questions addressed to both parties.**

If property valuation is at issue: Value is determined as of June 30, 2020. State statute and Routt County policy provide that value is determined based on market data during a 24-month period ending June 30, 2020. Statute does allow the Assessor to look back in additional 6 month increments, up to 5 years, for unique properties, in order to obtain **sufficient comparable sales data.** Neither Petitioner nor Assessor should discuss sales that occurred after the June 30, 2020 effective appraisal date as they cannot be considered relevant - unless the sold property was placed under contract prior to the effective appraisal date.

The Assessment Date for all property is January 1<sup>st</sup> of each year, so the property is valued and classified as it existed on January 1<sup>st</sup> **as to its use and condition.**
