**RE: Funding Request**

Charge Ahead Colorado Representatives,

The Routt County Board of County Commissioners (BCC) convened at a public hearing on October 22<sup>nd</sup>, 2019 to consider a motion to approve a commitment to contribute \$10,000 in 2020 to help fund installation of a Level 3 DC Fast Charger (Electric Vehicle Charger) in the Town of Yampa, Colorado.

Megan Moore-Kemp, representing the Yampa Valley Electric Association, made the request to the Board supported by Scott Cowman, Routt County Director of Environmental Health. It is understood that a \$10,000 contribution from Routt County would help bridge the funding gap between a potential grant award from the Colorado Energy Office (Charge Ahead Colorado) and the total cost of the project.

This letter is to notify you that a motion was approved by the Board to commit \$10,000 in 2020 from Routt County to help support the project assuming YVEA is awarded the grant. Please don't hesitate to contact us if you need any other information.

Sincerely,  
ROUTT COUNTY BOARD OF COUNTY COMMISSIONERS

M. Elizabeth Melton, Chair
