**ROUTT COUNTY BOARD OF COUNTY COMMISSIONERS**  
**AGENDA COMMUNICATION FORM**

**V. BACKGROUND INFORMATION:**

CDOT requires an annual update of the County's Mileage Certification. The Certification officially identifies any changes to the County's road system during the year. Information in the Mileage Certification is used by the State of Colorado in calculating the County's HUTF distributions and the Colorado counties are required to keep the information current.

No new road paving (outside of the negligible length aprons) or maintenance modifications were made in 2019. There are no changes in mileage from 2018 to 2019.

In 2018, the mileage was:

491.04 miles of arterial roads  
357.57 miles of local roads  
848.61 total miles of HUTF eligible streets

In 2019, there was no change in the mileage.

**VI. LEGAL ISSUES:**

None identified

**VII. CONFLICTS OR ENVIRONMENTAL ISSUES:**

None identified

**VIII. SUMMARY AND OTHER OPTIONS:**

The annual mileage summary report submittal in early 2020 is a CDOT requirement.
