Dear Doug:

This is to advise you that pursuant to Colorado Revised Statute, CRS § 37-46-104, your present term as Director will expire in January 2020. If the Routt County Commissioners reappoint you, the statute requires that they do so at their first meeting in January. The term of any reappointment will be for the regular term of three years. We request that you present your Notice of Appointment and notarized Oath of Office (both of which are being provided by the District to the Commissioners) prior to or at the regular quarterly meeting of the Board of Directors in January 2020.

Sincerely,

Andrew A. Mueller
Secretary/General Manager
