

Increasing numbers of tourists from all over the country especially high case states like AZ, FL, TX are flocking to Steamboat.

What measures is the county and our leadership taking to protect residents?

You list extensive precautions for Routt county residents leaving the county thus placing all the responsibilities on us. Yet you have not shut down things to help lower all the tourists like limiting short term rentals.

ACT LIKE THE

LEADERS WE NEED. LIMIT THE NUMBERS OF OUTSIDERS.
