

Welcome Mike Alfieri

[Sign Out](#) [My Account](#) [My Items](#) [Portal Home](#) [Property Search](#)

The City's new web portal is now online. Apply for permits, check the status of applications and inspections, submit complaints, check on planning applications and apply for business licenses - all from the comfort of home. No more lineups.

The CityView Portal is the first step in the City's plan to improve its service offerings for citizens. Watch for more updates coming soon.

Add all design professionals and contacts that will be related to this permit at any time during the process.

This would include scheduling inspections. Inspection requests will ONLY be accepted through this portal or in person.

## Permit Application - Upload Documents

TMPPR20210000755

Note: This step is optional. Documents may be uploaded at a later time from the Upload Submittals link located on the main page.

▼ **Guidelines For Electronically Submitting Documents:**

- Submitted documents should be under 50MB in size.
- Accepted file extensions:
  - pdf, dwg, cad, jpg, docx, xlsx
- All plans shall be to scale. If prepared by a licensed professional, they must be stamped and signed by the professional.
- Recommended naming conventions:
  - Keep filename consistent.
  - Avoid the use of non-friendly filenames. (ex. k9dk38fj3.pdf)
  - Avoid inappropriate language in filenames.
- Submitted documents will be stamped at the conclusion of the review.
  - The stamp will be placed in the upper right hand corner of the document. It is recommended that this area, to the extent possible, be left blank so that no information is lost when the the stamp is applied.

**Once you have chosen the files you wish to upload, please click the "Next Step" button located at the bottom of the page, to complete your submission.**
