The following is a list of known commercial pesticide applicators that work in Routt County. There may be other licensed applicators not mentioned on this list. All commercial pesticide applicators must be licensed by the Colorado Department of Agriculture. No endorsement of businesses mentioned is intended nor is criticism implied of businesses not mentioned. Note: Due to the short growing season, commercial applicators quickly become booked. If commercial applications are not feasible in the current year, please inquire how to get on the schedule for next year.
