

The Center for Inclusive Design & Engineering and
The Colorado Dept. of Health Care Policy and Financing
are pleased to announce

BATTERY BACKUP POWER SYSTEMS

POWER YOUR LIFE-SUSTAINING MEDICAL
EQUIPMENT DURING EMERGENCIES

APPLICATIONS ARE NOW OPEN!

To be eligible to receive a backup battery, you
must:

- Be enrolled in Colorado Medicaid
- Utilize life-sustaining medical equipment that requires electricity
- Not live in a group home or alternative care facility, as these facilities already provide backup power
